Parking Instructions:

We will be offering Visitor parking permits for **October 15-17, 2025**, valid for non-affiliated members of the university. Non-affiliated guests should print and display the parking permit on the dashboard of their vehicle. The permit allows access in Zone 1, 2, 3, and the Visitor spaces. The permit is not valid in pay stations or mobile pay areas. For parking-related questions, contact Parking Services at **956-665-2738**.

Here is the Edinburg campus map: www.utrgv.edu/files/documents/admissions/visit/utrgv-edinburg-map.pdf, which shows the parking zones.

Affiliated members of the university (UTRGV students, staff, and faculty) who purchased a virtual permit may park on campus (without needing to print and utilize the Visitor permit), as their license plate serves as their permit.

A UTRGV parking permit is only required on weekdays and not weekends.
